

Welcome to the team as Internship - Corporate Finance - Corporate Advisory / Mergers and Acquisitions (German Speaker) London

Task

We are currently seeking an intern for our Mergers and Acquisitions (M&A) department in London for the duration of six months starting ASAP.

As an intern in the Corporate Advisory team, you will be based in London and assist senior bankers in the preparation of presentations to existing and potential clients. You will be staffed on a project by project basis. The Corporate Advisory team comprises more than 70 bankers based in London, Frankfurt, New York and Hong Kong and is organised on a sector basis.

Main tasks will include producing company profiles, market and sector research and assisting in the preparation of comparable company valuation analysis. Where possible you will have the opportunity to assist on live deals including buy-side and sell-sides transactions.

Profile

- Expected to or have achieved/recently graduated within the last 12 months from either a Bachelors or Masters degree with a minimum 2.1 UK Bachelors degree (or equivalent); Minimum 320 UCAS points (or equivalent)
- A prior internship in an M&A/corporate finance department (bank, boutique or accountancy firm) is a must have requirement
- Strong analytical and numerical skills (including a good understanding of general accounting standards and the ability to calculate financial and accounting ratios and a

thorough understanding and application of the different methods of valuation techniques)

- Good research and organisational skills and strong interpersonal skills
- Good knowledge of Excel, PowerPoint and Word and a first-rate academic record
- Fluency in English is required; German is desirable
- Have the right to live and work in the UK

Company

With approximately 1,000 branches, Commerzbank has one of the densest branch networks among German private banks. In total, Commerzbank serves more than 18 million private and small business customers, as well as more than 60,000 corporate clients, multinationals, financial service providers, and institutional clients. The Bank, which was founded in 1870, is represented at all the world's major stock exchanges. In 2017, it generated gross revenues of €9.1 billion with approximately 49,300 employees.
